

CALIFORNIA COUNTRY CLUB HOMES ASSOCIATION REQUEST FOR APPROVAL OF PLANS

As you prepare for construction, we ask you to be a good neighbor!

1. All construction sites should have an opaque fence (covered) so that debris will not be seen from the street.
2. We ask that all dumpsters be marked with reflective disks to prevent accidents in the dark.
3. No storage containers may be parked on the streets.
4. All signs about construction must be removed as soon as any construction or project however small is finished. (Article 8 of the CC&Rs and Section V of the Building Guidelines).
5. Construction noise may not commence before 7:00 AM on weekdays and we ask that no construction begin on Saturday before 10:00 AM. There is **no construction** allowed on Sunday per Los Angeles ordinance.

Please remember that you are a member of our community. We wish you good luck on your project.
